

September 4, 2020

Dear Future Sponsor:

The Windsor Performing Arts Academy, Move Over Mozart, Art n Soul, and The Town of Windsor are combining their efforts to bring Public Pianos to Windsor.

These beautiful and inspired pianos will be

- hand-painted by local Windsor artists
- placed on display around the parks and businesses in Windsor
- played by the public from May to October
- converted into fabulous wine/beer racks, bookcases, or garden art
- donated or auctioned in October

We would like to invite you to sponsor a piano for \$850. Sponsorships cover piano moving, storage, painting, conversion, or disposal.

Benefits of Sponsorship:

- your name on a plaque on the piano.
- delivered to your business in October if desired
- the immeasurable sense of wellbeing that comes from bringing good things about

Representative pictures of our piano plans are on the next page. We look forward to your support. Please call me with any questions.

Sincerely,

Heather Cullen
